NOTES

* The fees listed * above have been prepared by the Archbishops' Council: these are statutory fees payable and do not include charges for heating, the services of a verger, music (e.g. organist), which are fixed by the Parochial Church Council. Costs and expenses incurred in respect of routine administration, making the church available and lighting it are already included in the fees.

** Whilst a verger is deemed an optional extra, practically speaking their role is essential to the smooth running of the service as they prepare the church beforehand and clear up afterwards.
